OF CORRECTION

1. Attached in duplicate is Form PTO-1050 with at least one copy being suitable for printing wherein the errors occurring in the printed patent are noted by column and line number.
2. The exact page and line number in the application file from which the correct text was erroneously copied are:

Amendment dated May 14, 2001, Attachment 1, p.1, lines 1-5.

The present Certificate of Correction is offered to correct a printing error in claim 1 in which the language "said outwardly facing surface having a central planar surface bordered by a pair of raised lateral side edges" has been duplicated. Since this is an obvious printing error on the part of the Patent Office, no fee is due.
